Do	Standing crops, *viz.*, sugar-cane, paddy, ragi, jola, til, castor, ballar, harka, togari, black and green grams, are reported to be in good condition in parts, while in others they are much in need of rain. Sugar-cane, same, tadagadne, jola, ragi and til are being harvested in some of the taluks. Horse gram, black and green grams, jola and tobacco are being sown.	Prospects improving in parts of the district, while in others the need for more rain is keenly felt.	Do	...

Ragi is being harvested in parts of the Hassan taluk. Horse gram is being sown in the Channarayapatna taluk. Ragi sown in Arkalgud in the early part of the year is in good condition, but that sown lately (2nd time) is somewhat bad. Dodda-ragi crop is in need of rain in the Hole-Narsipur taluk.	Prospects of season are favorable. Food grains are available in all the principal marts. No necessity for starting relief works. There has not been tank filling rains in the taluks of Channarayapatna and Hole-Narsipur.	Do

Do	Standing crops, *viz.*, paddy, green and black grams, sessamum, ragi, pigeon-pea, wheat, sugar-cane, navane, chillies, Deccan hemp and seedlings of castor beans and horse gram, are reported to be in good condition. Castor beans in Sorab and horse gram in Shikarpur and Sorab are sown. Paddy is transplanted in Sagar, Nagar and Tirthahalli taluks. Green gram and sessamum are being harvested in the taluk of Honnali.	Rains have been ample and the prospect throughout the district is favorable. Food stocks are sufficient.	Fair	...

				72	9	60	12	31	— 2	71	Rice 9 9.	Do	Standing crops both dry and wet are reported to be in good condition, except in parts of Challakere and Hiriyur where it is reported that dry crops are slightly fading for want of rains. Cottou, Italian millet, Bengal gram and jola in the Harihar sub-taluk, horse gram, samé, cotton, jola and Italian millet in the Davangere taluk and cotton and horse gram in the Challakere taluk are being sown.	Prospects of season depend on an early fall of rain which is urgently wanted. More especially in Challakere, Chitaldrug and Hiriyur taluks. Food stocks are reported to be sufficient.	C
